Re: Response to Office Communication mailed 11/21/2005

Dear Examiner:

In reply to your Office Action identified above, please find the following response:

**Election/Restriction**

Agree to paragraph 1 (final election of glycoposphopeptical) and paragraph 2 (withdrawal of claims 28-34.

**Applicant's response dated August 4, 2004**

Paragraph 3: An action on the merit of claims 25-27 is contained herein below.

**Claim rejections – 35 USC 102**

The basis of the rejection is 35 U. S. C. 102 (b);  
A person shall be entitled to a patent unless- the invention was patented or described in a printed publication in this or a foreign country or in public use or on sale in this country, more than one year prior to the date of application for patent in the united states.

Claims 25-27 are rejected as being anticipated by Sanchez Palacios A. et al. According to the paragraph in page 3, paragraph 5 of the Office Action identified above and the introduction, Sanchez is referring to childhood infectious respiratory pathology (asthmatic bronchitis) which is not bronchial asthma which is allergic or atopic also called as type I hypersensitivity.

If we refer to the Material Y Metodos in the article first paragraph: Patient selection is excluding patients with allergic asthma "no atopicos", cutaneous pneoallergen positive e IgE total normal"

Receipt is acknowledged of this nonprovisional Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Customer Service Center. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
